⚠️🔥 MEGA THREAD 🔥⚠️
⚠️ Rothschild Family History ⚠️

The thread will include all major events that has involved the family from 1743 - Present Day. From the creation of the Illuminati, Central Banks, Wars and more.

01 PROLOGUE

The Rothschild Family is the richest family in the world.

They control somewhere in the area of \$550 trillion US, which is roughly half of the money in the world's circulation.

The Rothschilds claim that they are Jewish, when in fact they are Khazars.

They are from a country called Khazaria, which occupied the land locked between the Black Sea and the Caspian Sea.

These people eventually became the Ashkenazis of Israel.

The Book of Revelation, Chapter 2, Verse 9, states the "I know thy works, and tribulation and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan."

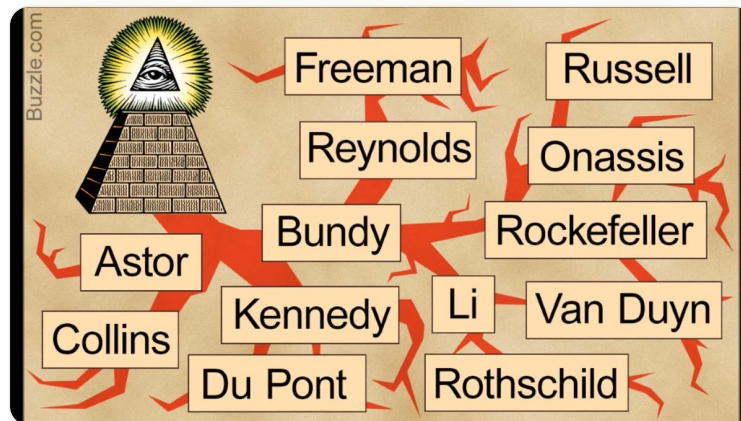

The most wealthy bloodline in the world and the leader of the Ashkenazis are the Rothschild family.

The Rothschilds have obtained this position through lies, manipulation and murder.

Their bloodline also extends into the Royal Families of Europe, and many other powerful families.

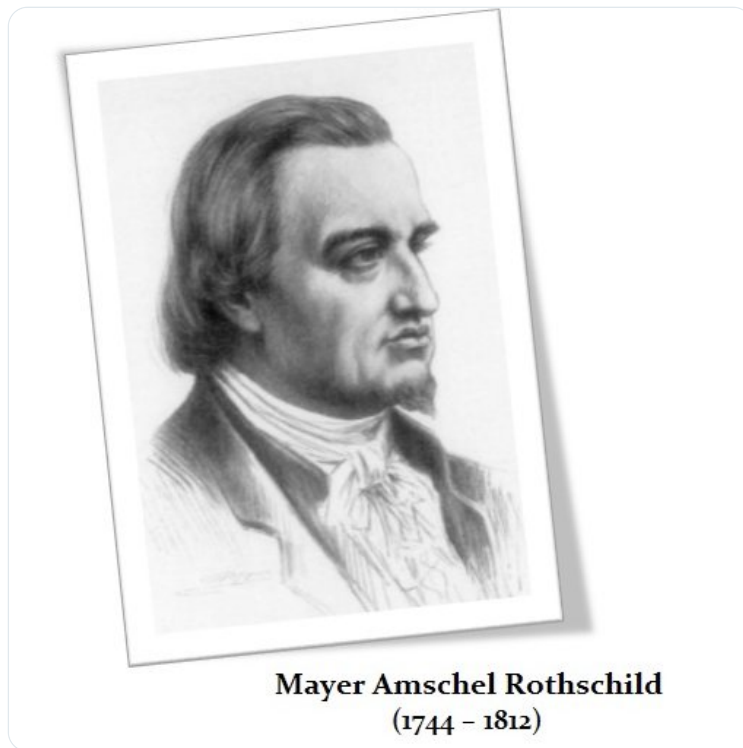

They would change their name, in order for them to appear local to a certain region.

1 THE CREATION OF THE ILLUMINATI

1743

Mayer Amschel Bauer, an Ashkenazi, is born in Frankfurt, Germany, the son of Moses Amschel Bauer, a money lender and the proprietor of a counting house.

Moses Amschel Bauer places a red sign above the entrance door to his counting house.

This sign is a red hexagram (which geometrically and numerically translates into the number 666) which under Rothschild instruction will end up on the Israeli flag some two centuries later.

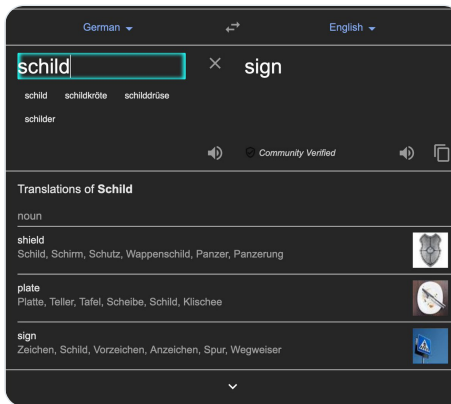

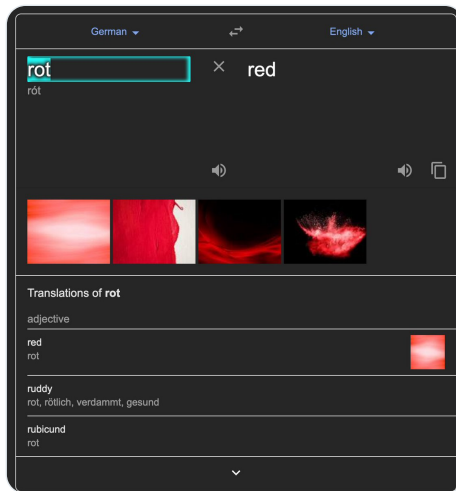

▶ 1760

Following his father's death, Bauer returns to Frankfurt to take over his father's business.

Bauer recognises the significance of the red hexagram and changes his name from Bauer to Rothschild.

"Rot," is German for, "Red,"

"Schild," is German for, "Sign".

Moses becomes close associates with Prince William IX of Hesse-Hanau, and ends up doing business with him.

He soon discovers that loaning money to governments is more profitable than loaning to individuals, as the loans are bigger and are secured by the nation's taxes.

1770

Mayer Amschel Rothschild draws up plans for the creation of the Illuminati and entrusts Ashkenazi, Adam Weishaupt with its organization and development.

It was to be called the Illuminati as this is a Luciferian term which means, keepers of the light.

1776

Adam Weishaupt officially completes his organization of the Illuminati on May 1 of this year.

The purpose of the Illuminati is to divide the goyim through political, economic, social, and religious means.

Weishaupt soon infiltrates the Continental Order of Freemasons with this Illuminati

doctrine and establishes lodges of the Grand Orient to be their secret headquarters.

The concept has spread and is followed within Masonic Lodges worldwide to the present day.

Freemasons were formed in 1717.

So from 1717 - 1760 it was a peaceful organization with no Illuminati influence.

Many Founding Fathers were part of this group.

Weishaupt recruits 2,000 paid followers including the most intelligent men in the field of arts and letters, education, science, finance, and industry.

They were instructed to follow the following methods in order to control people:

- 1) Use monetary and sex bribery to obtain control of men already in high places
- 2) The faculties of colleges and universities were to cultivate students possessing exceptional mental ability, and recommend them for special training in internationalism

3) All influential people were to be used as agents and placed behind the scenes of all governments as experts and specialists

4) To obtain absolute-control of the press

2 □ THE FRENCH REVOLUTION

▶ 1784

Adam Weishaupt issues his order for the French Revolution to be started by by Maximilien Robespierre in book form.

This book was written by one of Weishaupt's associates, Xavier Zwack, and sent by courier from Frankfurt to Paris.

However en route there, the courier is struck by lightning, the book detailing this plan discovered by the police, and handed over to the Bavarian authorities.

▶ 1786

The Bavarian government publish the details of the Illuminati plot in a document entitled, "The Original Writings of The Order and Sect of The Illuminati."

They then send this document to all the leader of Europe, but sadly their warning is ignored.

▶ 1789

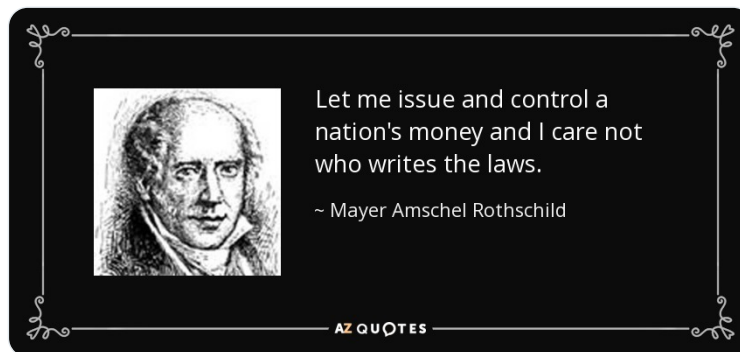

Due to the European ignorance of the Bavarian government's warning, the Illuminati's plan for a French Revolution succeeded from this year to 1793.

This revolution was a bankers' dream, it established a new constitution and passed laws that limited Roman Church taxes.

▶ 1790

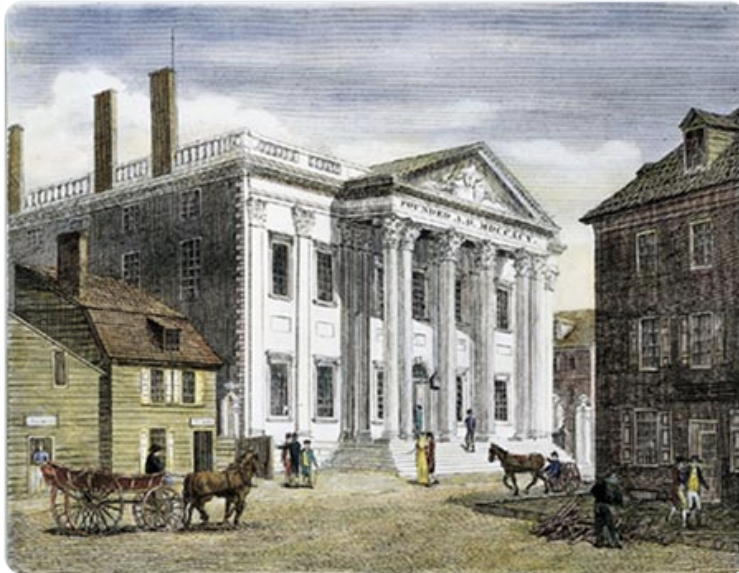

Mayer Amschel Rothschild states, "Let me issue and control a nation's money and I care not who writes the laws."

▶ 1791

The Rothschilds get, "control of a nation's money," through Alexander Hamilton (their agent in George Washington's cabinet) when they set up a central bank in the USA called the First Bank of the United States.

This is established with a 20 year charter.

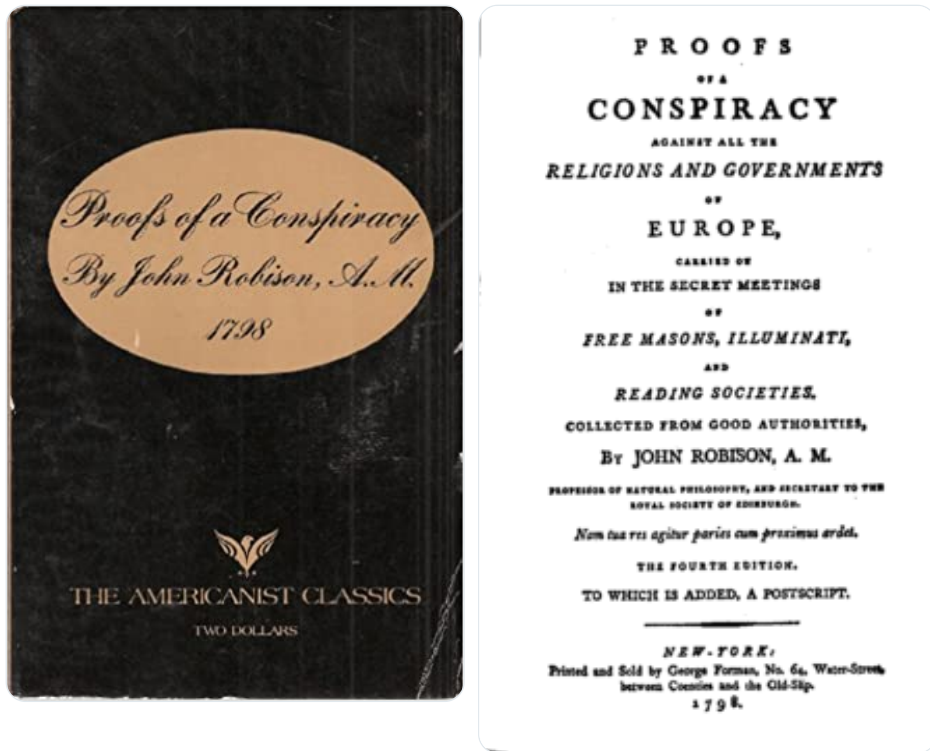

▶ 1798

John Robison publishes a book entitled, "Proofs of a Conspiracy Against All the Religions and Governments of Europe Carried on in the Secret Meetings of Freemasons, Illuminati and Reading Societies."

In this book, Professor Robison of the University of Edinburgh, one of the leading intellectuals of his time, who in 1783 was elected general secretary of the Royal Society of Edinburgh, gave details of the whole Rothschild Illuminati plot.

At the age of 21, Nathan Mayer Rothschild leaves Frankfurt for England, where with a large sum of money given to him by his father, he sets up a banking house in London.

▶ 1806

Napoleon states that it is his, "object to remove the house of Hess-Cassel from rulership and to strike it out of the list of powers."

On hearing this, Prince William IX of Hesse-Hanau entrusts his fortune valued at \$3,000,000 to Mayer Amschel Rothschild.

▶ 1810

Sir Francis Baring and Abraham Goldsmid die. This leaves Nathan Mayer Rothschild as the remaining major banker in England.

Salomon Mayer Rothschild goes to Vienna, Austria and sets up the bank, M. von Rothschild und Söhne.

▶ 1812

Backed by Rothschild money, and Nathan Mayer Rothschild's orders, the British declare war on the United States.

The Rothschilds plan was to cause the United States to build up such a debt in fighting this war that they would have to surrender to the Rothschilds.

Mayer Amschel Rothschild dies.

In his will he lays out specific laws that the House of Rothschild were to follow:

- 1) Only males will enter the business
- 2) Intermarry to preserve fortune
- 3) the eldest son of the eldest son was to become the head of the family

▶ 1815

The five Rothschild brothers work to supply gold to both Wellington's army (through Nathan in England) and Napoleon's army (through Jacob in France).

The Rothschilds love wars because they are massive generators of risk free debt.

When news came through that the British had actually won the war, the consuls went up to a level even higher than before the war ended leaving Nathan Mayer Rothschild with a return of approximately 20 to 1 on his investment.

This gave the Rothschild family complete control of the British economy, now the financial center of the world following Napoleon's defeat, and forced England to set up a new Bank of England, which Nathan Mayer Rothschild controlled.

In 1815 Nathan **Rothschild** virtually bought the Bank of England.

- After the battle of Waterloo, Nathan's own courier was the first to reach England, bringing news that Wellington had won the battle, and thus the war.
- Armed with this critical information, Nathan began selling up his British war bonds, fooling other traders into believing Napoleon had won instead.
- Panicked, those traders quickly began selling off their own near-worthless bonds, at which point Nathan ordered his workers to buy up as many of those bonds as they could.
- Once the news reached London that Wellington had won, Nathan's newly acquired bonds gained more value than they had before the entire war.

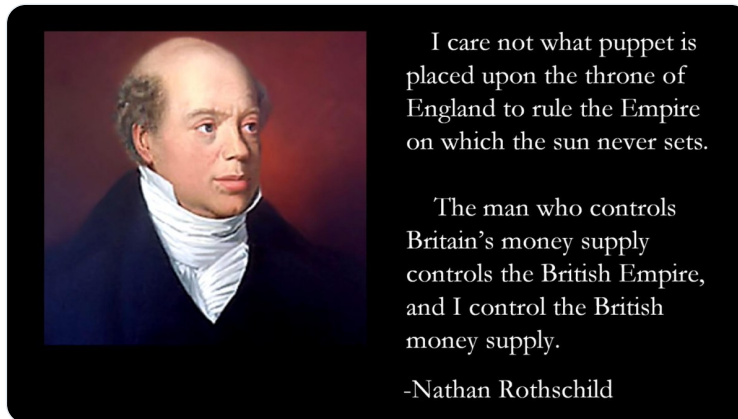

The ownership of such high-value bonds meant that the Rothschilds literally owned the Bank of England.

From that moment onwards, the interests of the British Crown and the Rothschilds became so entwined that the Rothschilds were given titles of nobility. Through inter-marriage the Rothschilds *became* royalty.

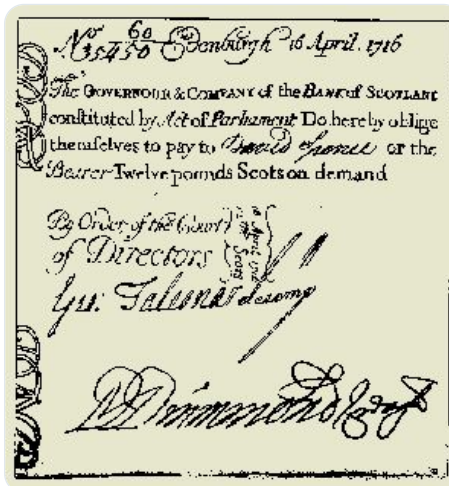

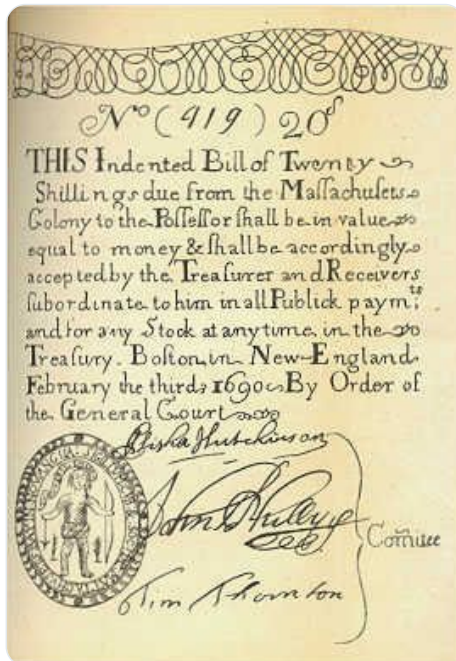

Nathan Rothschild. Born in Frankfurt.
1777 - 1836.

Nathan Mayer Rothschild makes his famous statement, "I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply."

The Rothschilds also use their control of the Bank of England to replace the method of shipping gold from country to country and instead used their five banks spread across Europe to set up a system of paper debits and credits, the banking system of today.

By the end of this century, a period of time that was known as the, "Age of the Rothschilds," it is estimated that the Rothschild family controlled half the wealth of the world.

▶ 1816

The American Congress passes a bill permitting yet another Rothschild dominated central bank, which gives the Rothschilds control of the American money supply again.

This is called the Second Bank of the United States and is given a twenty year charter.

▶ 1821

Kalmann Mayer Rothschild would end up doing a lot of business with Pope Gregory XVI subsequently conferred upon him the Order of St. George.

Whenever the Pope received Kalmann, he would give him his hand rather than the customary toe to kiss, which showed his power.

▶ 1823

The Rothschilds take over the financial operations of the Catholic Church, worldwide.

▶ 1827

Sir Walter Scott publishes his nine volume set, *The life of Napoleon* and in volume two he states that the French Revolution was planned by the Illuminati (Adam Weishaupt) and was financed by the money changers of Europe (The Rothschilds).

3 AMERICA'S REVENGE

▶ 1832

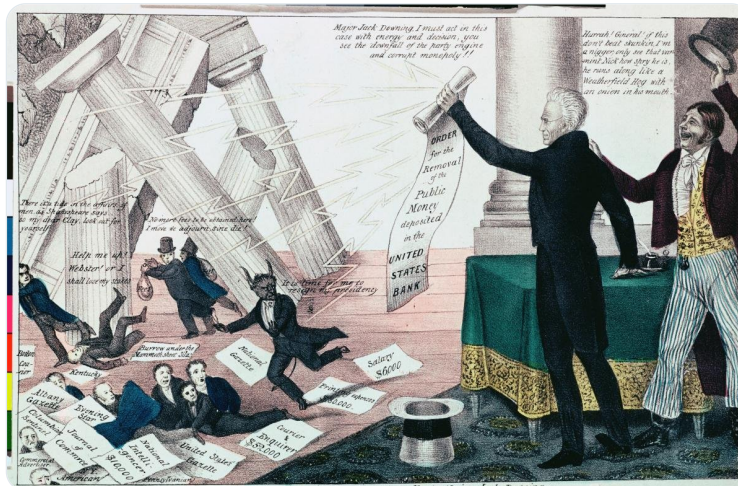

President Andrew Jackson, runs the campaign under the slogan, "Jackson And No Bank!"

This is in reference to his plan to take the control of the American money system to benefit the American people, not for the profiteering of the Rothschilds.

▶ 1833

President Andrew Jackson starts removing the government's deposits from the Rothschild controlled, Second Bank of the United States and instead deposits them into banks directed by democratic bankers.

This causes the Rothschilds to panic and so they do what they do best, contract the money supply causing a depression.

President Jackson knows what they are up to and later states, "You are a den of thieves vipers, and I intend to rout you out, and by the Eternal God, I will rout you out."

▶ 1836

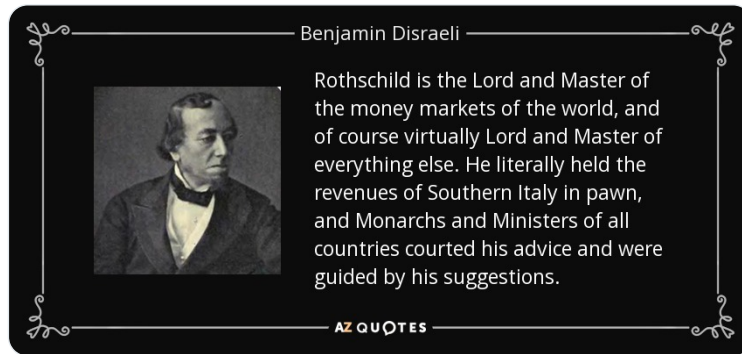

Following his years of fighting against the Rothschilds and their central bank in America, President Andrew Jackson finally succeeds in throwing the Rothschilds central bank out of America, when the bank's charter is not renewed.

▶ 1844

Benjamin Disraeli, an Ashkenazi (who would go on to become British Prime Minister

twice - the only admitted Ashkenazi to do so) publishes Coningsby, in which he characterises Nathan Mayer Rothschild as:

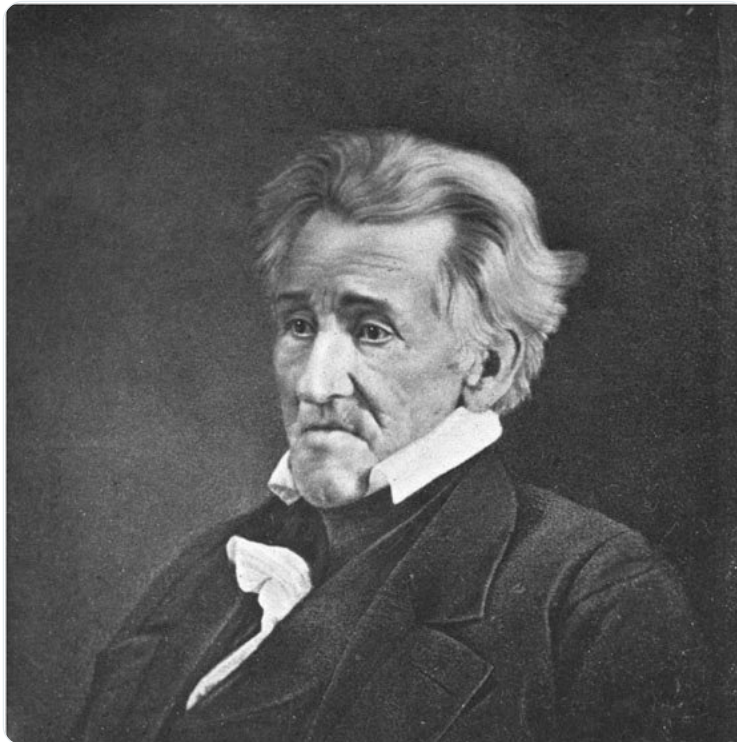

▶ 1845

Andrew Jackson dies.

Before his death he is asked what he regarded his as greatest achievement.

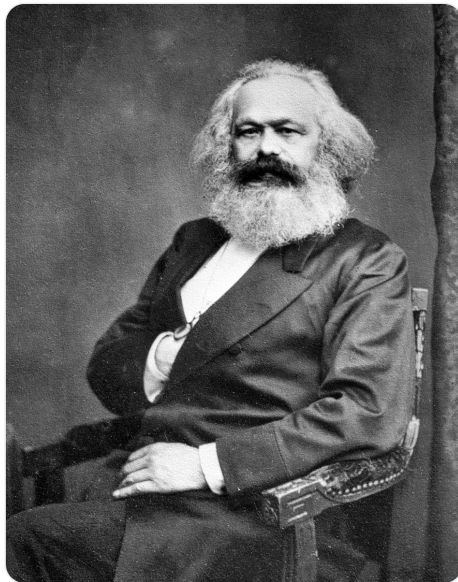

He replies without hesitation, "I Killed The Bank," This is in reference to the fact he banished the Rothschilds Second Bank of the United States in 1836.

▶ 1848

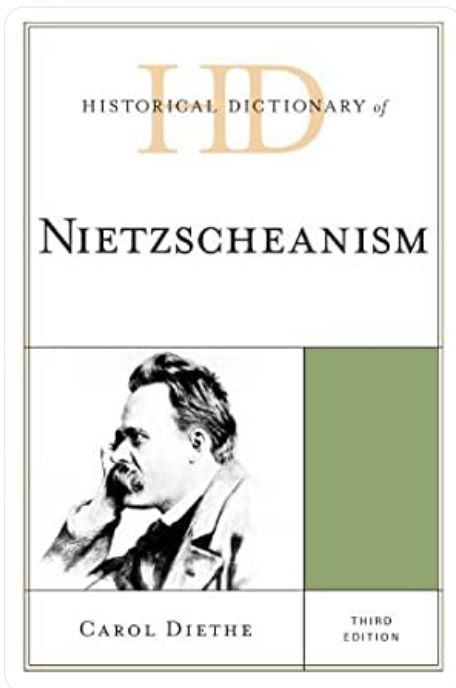

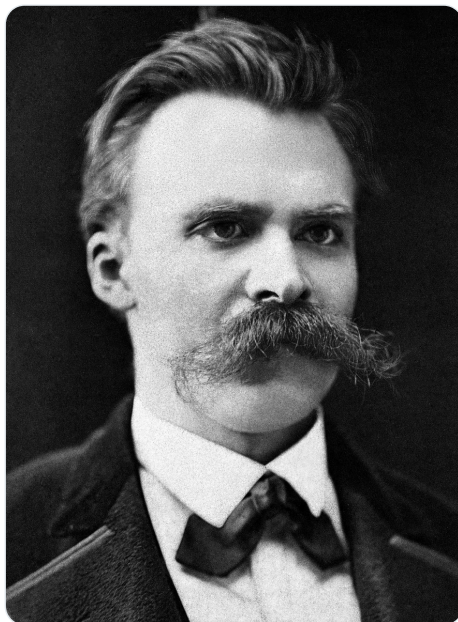

Karl Marx, an Ashkenazi, publishes, "The Communist Manifesto."

Interestingly at the same time as he is working on this, Karl Ritter of Frankfurt University was writing the antithesis which would form the basis for Freidrich Wilhelm Nietzsche's, "Nietzscheanism."

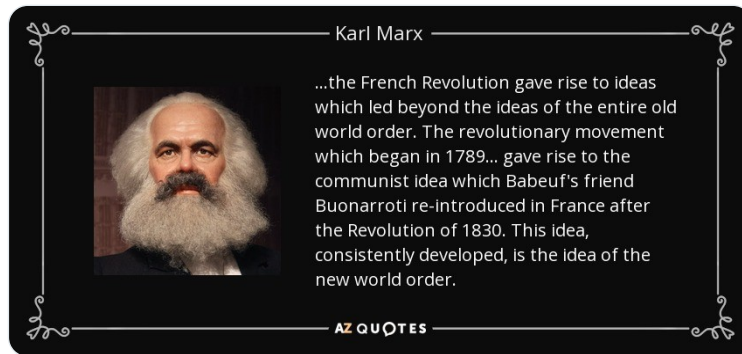

This Nietzscheanism was later developed into Fascism and then into Nazism and was used to foment the first and second world wars.

Marx, Ritter, and Nietzsche were all funded and under the instruction of the Rothschilds.

The idea was that those who direct the overall conspiracy could use the differences in those two so-called ideologies to enable them to divide larger and larger factions of the human race into opposing camps.

The Illuminati plan to spark wars.

▶ 1849

Gutle Schnaper, Mayer Amschel Rothschild's wife dies.

Before her death she would nonchalantly state, "If my sons did not want wars, there would be none."

▶ 1858

Lionel De Rothschild finally takes his seat in parliament when the requirement to take an oath in the true faith of a Christian is broadened to include other oaths.

He becomes the first Jewish member of the British parliament.

▶ 1861

President Abraham Lincoln approaches the big banks in New York to try to obtain loans to support the ongoing American civil war.

As these large banks were heavily under the influence of the Rothschilds, they offer him a deal they know he cannot accept.

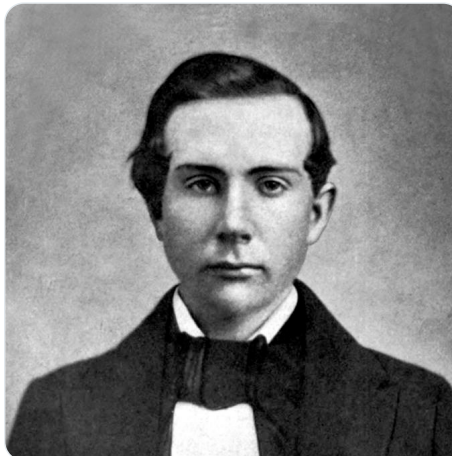

Lincoln is very angry about this high level of interest and so he prints his own debt free money (Greenbacks) and informs the public that this is now legal tender for both public and private debts.

▶ 1862

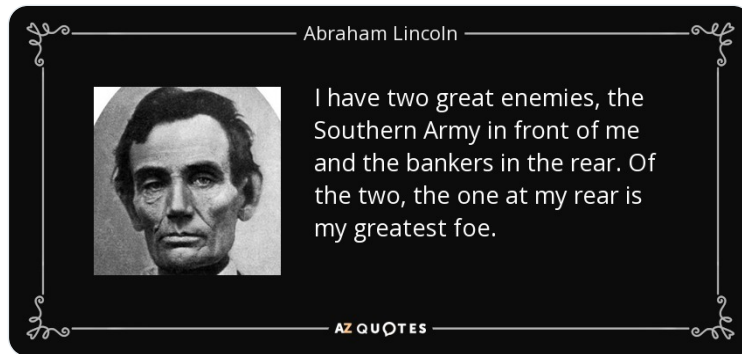

The Rothschilds use one of their own in America, John D. Rockefeller, to form an oil business called Standard Oil which eventually takes over all of its competition.

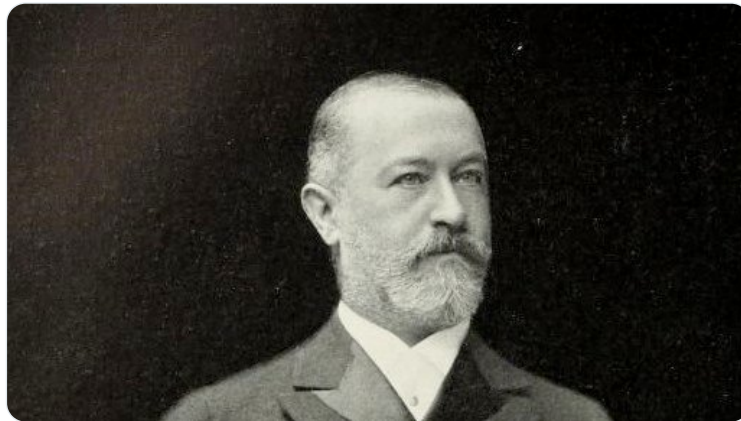

▶ 1865

In a statement to Congress, President Abraham Lincoln states, "I have two great enemies, the Southern Army in front of me, and the financial institutions in the rear. Of the two, the one in my rear is my greatest foe."

Later that year, on April 14, President Lincoln is assassinated, less than two months before the end of the American Civil War.

Following a brief training period in the Rothschilds London Bank, Jacob Schiff, a Rothschild, born in their house in Frankfurt, arrives in America at the age of 18, with instructions and the finance necessary to buy into a banking house there.

The purpose of this was to carry out the following tasks.

- 1) Gain control of America's money system
- 2) Find desirable men, who for a price, would be willing to serve as stooges for the Illuminati
- 3) Create minority group strife throughout the nations
- 4) Create a movement to destroy religion in the United States, with Christianity as the main target.

4▯ THE NEW WORLD ORDER

▶ 1871

An American General named, Albert Pike completes his military blueprint for three world wars and various revolutions throughout the world, culminating into moving this great conspiracy into its final stage.

Pike, who having been elected as Sovereign Grand Commander of the Scottish Rite of Freemasonry's Southern Jurisdiction in 1859, was the most powerful Freemason in America.

He would retain that post for 32 years until his death in 1891.

The First World War must be brought about in order to permit the Illuminati to overthrow the power of the Czars in Russia and of making that country a fortress of atheistic Communism. The divergences caused by the "agentur" (agents) of the Illuminati between the British and Germanic Empires will be used to foment this war. At the end of the war, Communism will be built and used in order to destroy the other governments and in order to weaken the religions.

The Second World War must be fomented by taking advantage of the differences between the Fascists and the political Zionists. This war must be brought about so that Nazism is destroyed and that the political Zionism be strong enough to institute a sovereign state of Israel in Palestine. During the Second World War, international Communism must become strong enough in order to balance Christendom, which would be then restrained and held in check until the time when we would need it for the final social cataclysm.

The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time.

Albert Pike Aug. 15, 1871

▶ 1875

Jacob Schiff takes control of the banking house, Kuhn, Loeb & Co.

He goes on to finance John D. Rockefeller's Standard Oil Company, Edward R. Harriman's Railroad Empire, and Andrew Carnegie's Steel Empire.

This is all with Rothschild money.

KUHN, LOEB & CO.

The start of the two part system.

▶ 1886

The French Rothschild bank, de Rothschild Frères obtains substantial amounts of Russia's oil fields and forms the Caspian and Black Sea Petroleum Company, which quickly becomes the world's second largest oil producer.

▶ 1895

Edmond James de Rothschild the youngest son of Jacob (James) Mayer Rothschild visits Palestine and subsequently supplies the funds to found the first Jewish colonies there, this is to further their long term objective of creating a Rothschild owned country.

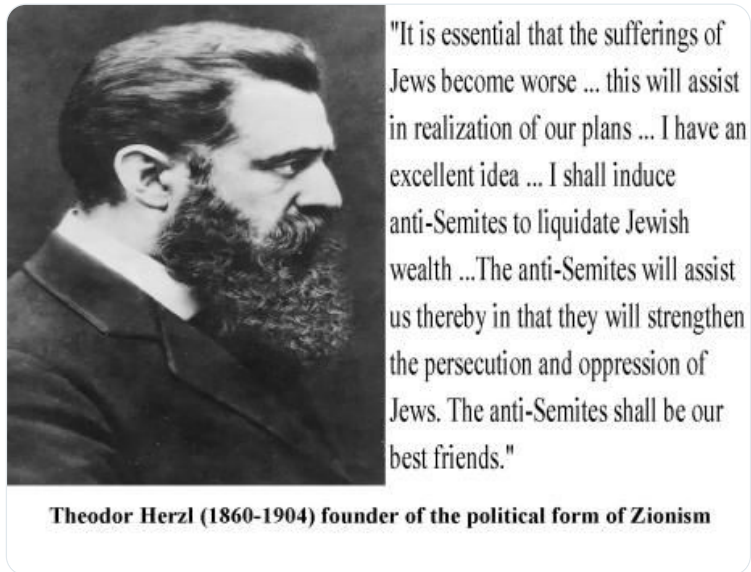

▶ 1897

The Rothschilds found the Zionist Congress to promote Zionism (a political movement with the sole aim of moving all Jews into a singularly Jewish nation state) and arrange its first meeting in Munich.

The Zionist flag, 51 years later, will end up as the flag of Israel.

The meeting is chaired by Ashkenazi, Theodor Herzl, who would state in his diaries:

▶ 1906

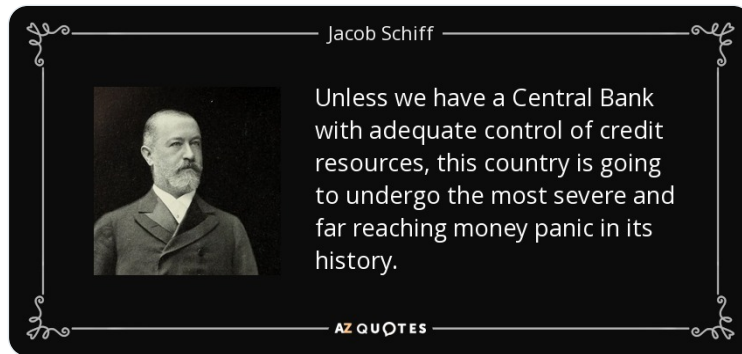

The Rothschilds claim that instability in the Khazar region and competition from the Rockefeller owned Standard Oil, is why they sell their Caspian and Black Sea Petroleum Company to Shell.

This is another example of the Rothschilds trying to hide their true wealth.

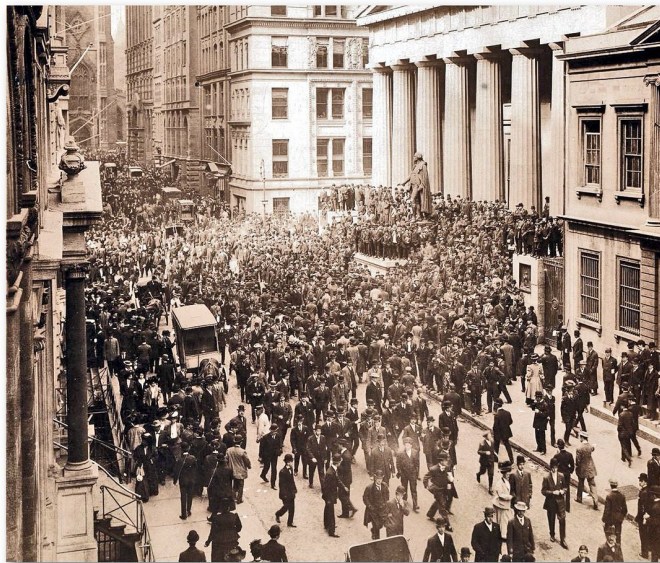

▶ 1907

Rothschild, Jacob Schiff, in a speech to the New York Chamber of Commerce, warns that:

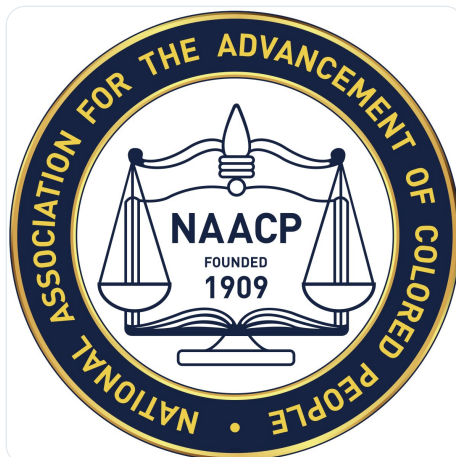

Suddenly America finds itself in the middle of another typical run of the mill Rothschild engineered financial crisis (Panic of 1907), which ruins the lives of millions of innocent people throughout America and makes billions for the Rothschilds.

Panic of 1907 - Wall Street, New York City

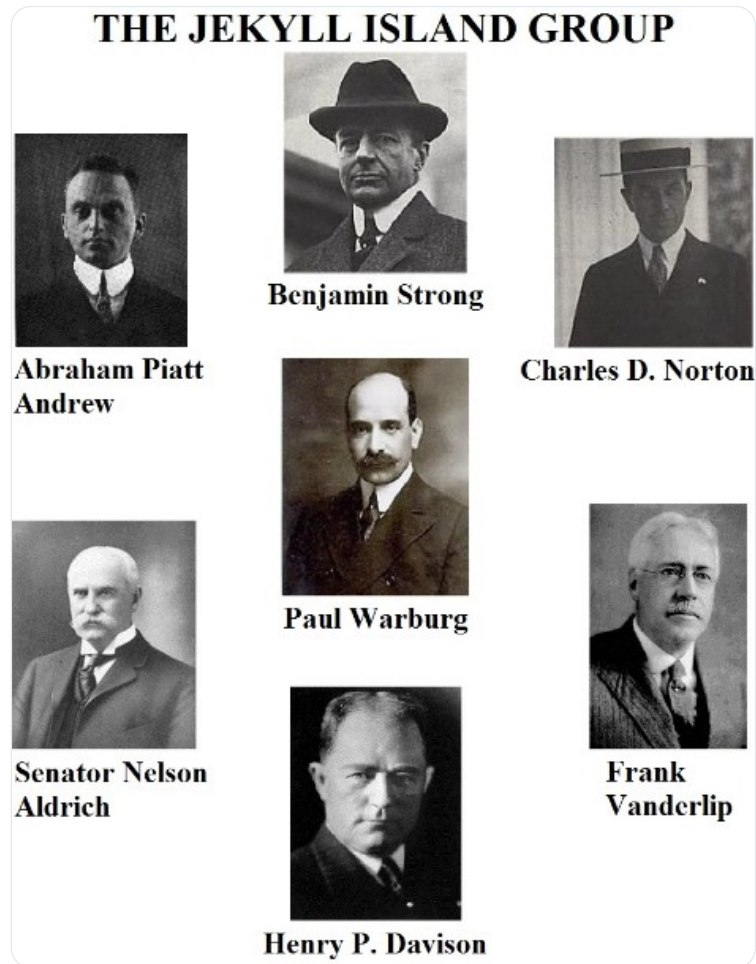

▶ 1909

Jacob Schiff founds the National Advancement for the Association of the Coloured People (NAACP).

▶ 1913

Congressman Charles Lindbergh stated following after the passing of the Federal Reserve Act on December 23:

5 □ WORLD WARS

▶ 1914

The start of World War I. In this war, the German Rothschilds loan money to the Germans, the British Rothschilds loan money to the British, and the French Rothschilds loan money to the French.

▶ 1916

On June 4, Ashkenazi, Louis Brandeis (the elected leader of the Executive Committee for Zionist Affairs) is appointed to the Supreme Court of the United States by President Wilson as per his agreed blackmail payment to Samuel Untermyer some three years earlier.

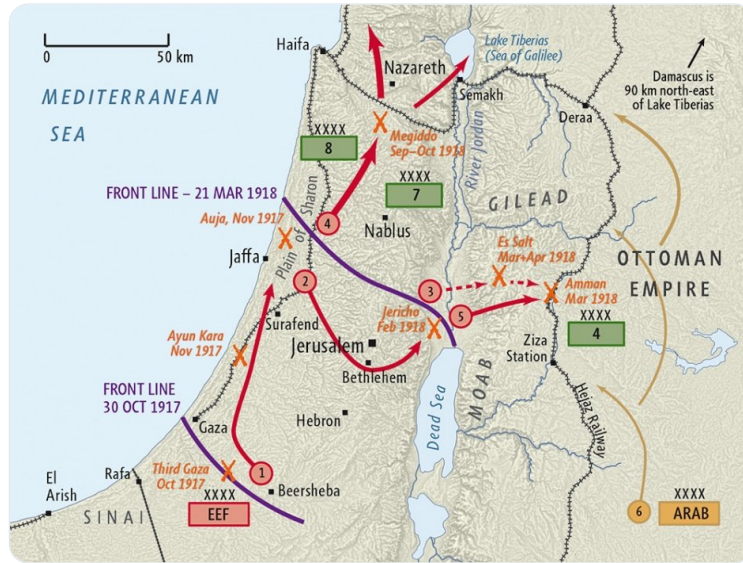

Whilst the British were considering Germany's offer of armistice, Louis Brandeis sends a Zionist delegation from America to Britain to promise to bring America into the war on the side of the British, provided the British agree to give the land of Palestine to the Rothschilds.

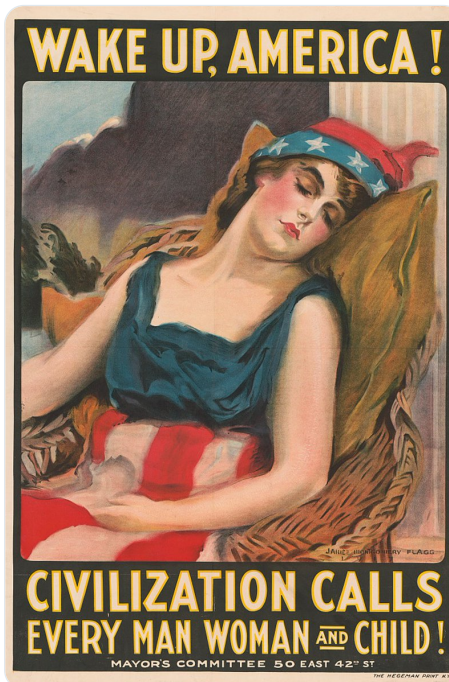

The Rothschilds wanted Palestine for the following reason.

They had great business interests in the far east and desired their own state in that area along with their own military which they could use as an aggressor to any state that threatened those interests.

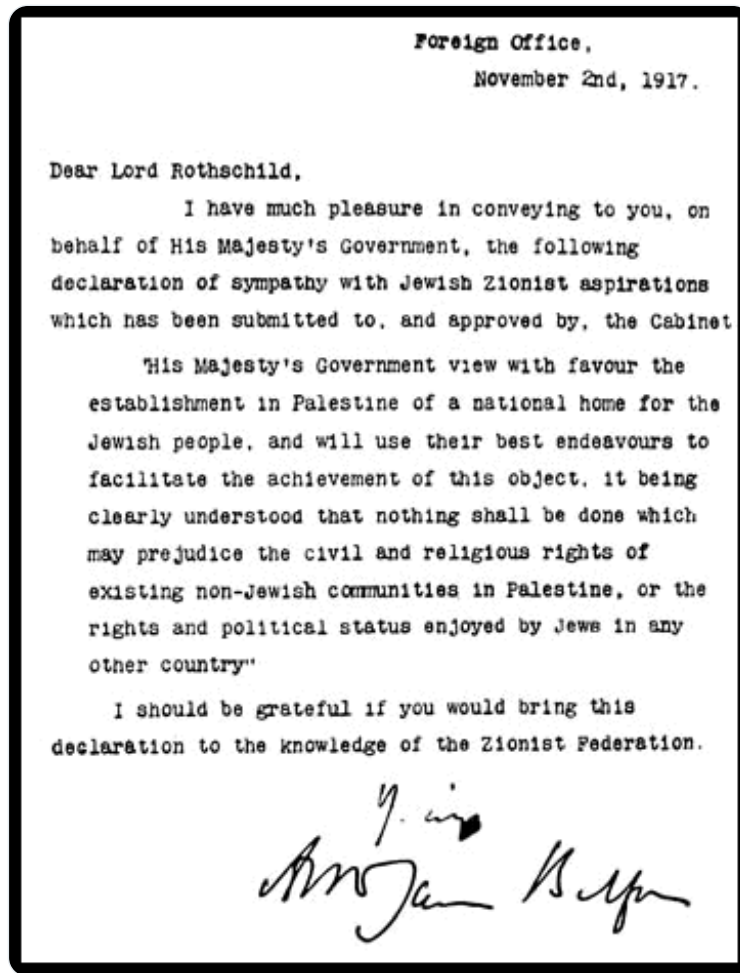

1917

The Rothschild war machine starts spreading propaganda which leads to President Wilson under the instructions of American Zionist leader and Supreme Court Justice, Louis Brandeis, to start taking America into the first world war on April 6.

The British Foreign Secretary, Arthur James Balfour therefore drafts a letter which is commonly known as the, "Balfour Declaration," which is reprinted below:

It start with "Dear Lord Rothschild,"

▶ 1919

The Versailles peace conference is held to decide reparations that the Germans need to pay to the victors following the end of the first world war.

A delegation of 117 Zionists headed up by Bernard Baruch, bring up the subject of the promise of Palestine for them.

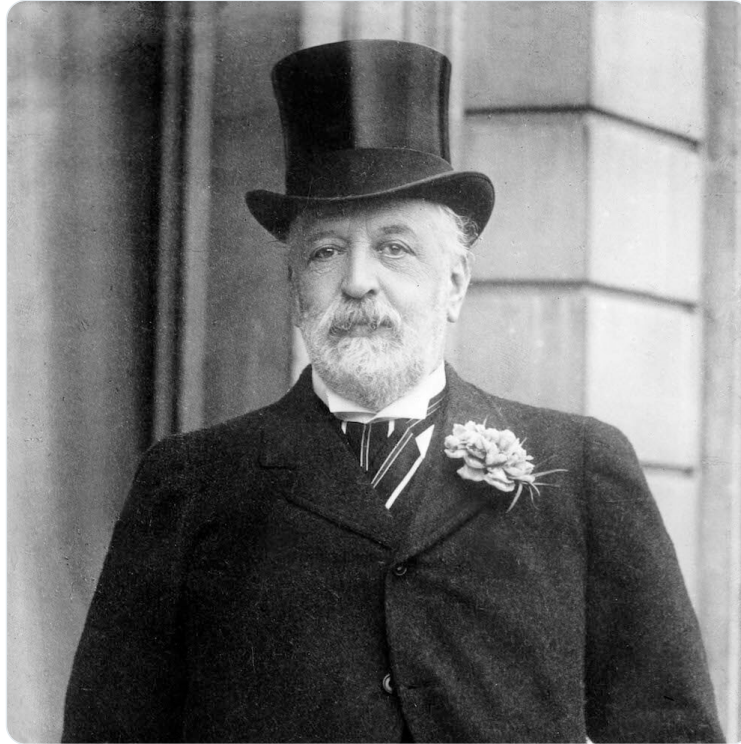

The Germans, naturally, felt they had been betrayed by the Zionists.

This is because, at the time the Rothschilds made their deal with Britain for Palestine,

in exchange for bringing America into the war, Germany was the most friendly country in the world towards the Jews.

Interestingly, the host of the Versailles peace conference is its boss, Baron Edmond de Rothschild.

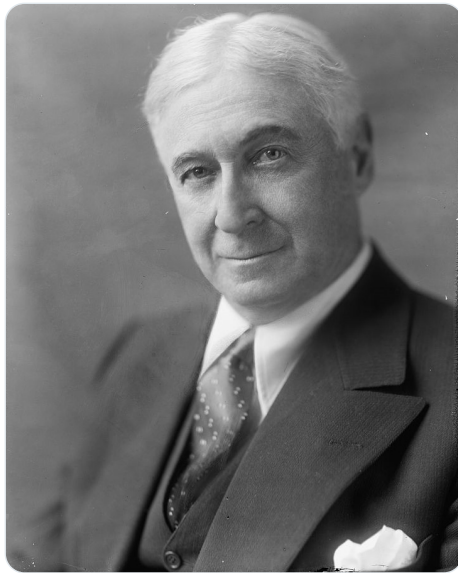

The Versailles peace conference is also used as an attempt by the Rothschilds to set up a world government called the, "League of Nations."

▶ 1921

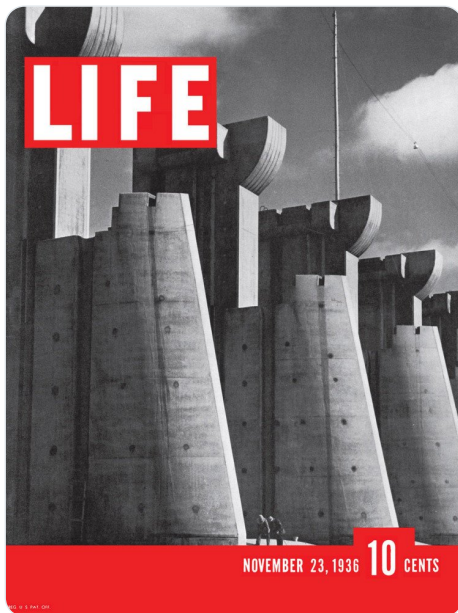

Under the orders of Jacob Schiff the Council on Foreign Relations (CFR) is founded by Ashkenazis, Bernard Baruch and Colonel Edward Mandell House.

The CFR membership at the start was approximately 1000 people in the United States.

The first job of the CFR was to gain control of the press.

This task was given to John D. Rockefeller who set up a number of national news magazines such as Life, and Time.

▶ 1929

The Rothschilds crash the United States economy by contracting the money supply.

Winston Churchill being at the New York Stock Exchange on Black Thursday, October 24, 1929, was not by chance.

1930

The first Rothschild world bank, the "Bank for International Settlements (BIS)," is established in Basle, Switzerland. The same place as where 33 years earlier the first ever World Zionist Congress was held.

1933

On January 30, Adolf Hitler becomes Chancellor of Germany.

He drives Jews, many of which were Communist out of Governmental positions within Germany.

Samuel Untermyer, the Ashkenazi who blackmailed President Wilson, is now the head of the American delegation and the president of the whole conference.

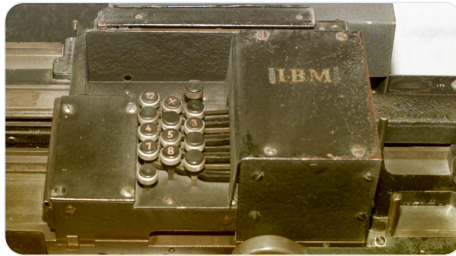

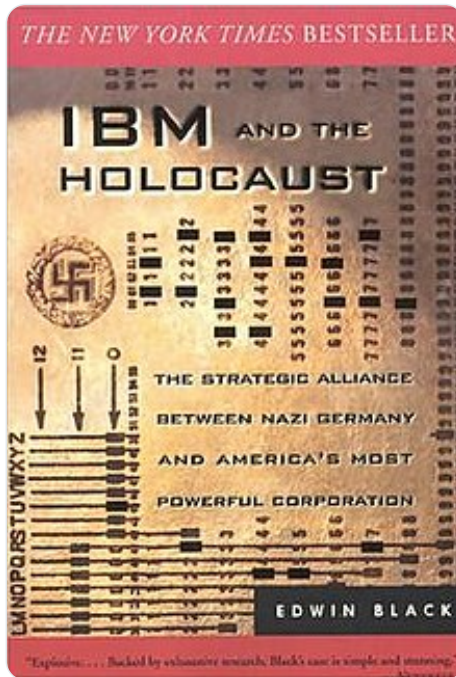

He calls for all Americans to destroy German made products.

Once the effects of this boycott began to be felt in Germany, the Germans, who had demonstrated no violence towards the Jews up to this point, simply began boycotting Jewish stores in the same way the Jews had done to stores selling German products in America.

Rothschild financed IBM, supply machines to the Nazis which produce punch cards to help organize and manage the initial identification and social expulsion of Jews, the confiscation of their property and their extermination.

Ashkenazi President Roosevelt, orders the all-seeing eye to be placed upon all new dollar bills along with the motto, "Novus Ordo Seclorum."

This is latin for, "A New Order of the Ages."

1934

Swiss banking secrecy laws are reformed and it becomes an offense resulting in imprisonment for any bank employee to violate bank secrecy.

This is all in preparation for the Rothschild engineered Second World War in which as usual they will fund both sides.

▶ 1939

I.G. Farben the leading producer of chemicals in the world and largest German producer of steel dramatically increases its production.

This increased production is almost exclusively used to arm Germany for the Second World War.

This company was controlled by the Rothschilds and would go on to use Jews and other disaffected peoples as slave labour in the concentration camps.

I.G. Farben also created the lethal Zyklon B gas that was used to exterminate the Jews.

▶ 1940

Hansjürgen Koehler's, "Inside The Gestapo," states Maria Anna Schicklgruber, Adolf Hitler's grandmother, was a servant at the Rothschild mansion.

February 18th, Zionist, Izaak Greenbaum, head of the Jewish Agency Rescue Committee, in a speech to the Zionist Executive Council states:

The whole idea of Zionist support for the slaughter of innocent Jews was to scare the survivors into believing that their only place of safety was Israel.

How else do you think the Zionists could ensure Jews leave the beautiful European cities in which they live?

▶ 1944

In Bretton Woods, New Hampshire, two further Rothschild world banks are created.

The International Monetary Fund (IMF), and the World Bank.

▶ 1945

The end of WWII

The Rothschilds take a giant step towards their goal of world domination when the second, "League of Nations," called the, "United Nations," was approved this year.

6 THE FORMATION OF ISRAEL

▶ 1947

The British, who prior to World War 2 declared that there would be no more immigration of Jews to Palestine in order to protect the Palestinians, transfer control of Palestine to the United Nations.

The United Nations resolve to have Palestine partitioned into two states, one Zionist and one Arab, with Jerusalem to remain as an international zone to be enjoyed by all religious faiths.

▶ 1948

In the Spring of this year, the Rothschilds bribe President Harry S. Truman to recognize Israel (Rothschild owned Zionist not Jewish territory) as a sovereign state with \$2,000,000 which they give to him on his campaign train.

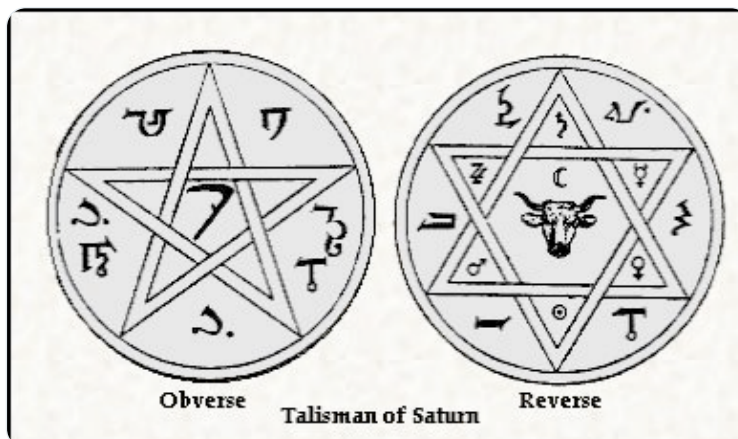

President Truman declared the United States to be the first foreign nation to recognize Israel as a sovereign state.

The Flag of Israel is unveiled. Despite tremendous opposition the emblem on the flag is a blue coloured version of the Rothschild, "Red Hexagram or Sign."

This angers many Jews who realize this Hexagram was used in the ancient mystery religions as the symbol of, "Moloch," (described as a demon of unwilling sacrifice and is also interestingly the name of the stone owl the elite worship at Bohemian Grove).

The Hexagram was also used to represent Saturn, which has been identified as the esoteric name for, "Satan."

This indicates that anyone killed in the name of Israel (Rothschild Zionism) is actually a sacrifice to Satan.

On April 19, Jewish terrorists from the Irgun gang, led by future Israeli Prime Minister Menachem Begin, and the Stern gang, led by future Israeli Prime Minister Yitzhak Shamir, brutally massacre 200 people as they are sleeping peacefully in the Arab village of Deir Yassin.

Following the United Nations transfer of Palestine, the Israelis launched a military assault on the Arabs with blaring loudspeakers on their trucks informing the Arabs that if they did not flee immediately, they would be slaughtered.

800,000 Arabs fled in panic.

▶ 1950

Israel passes their law of return, guaranteeing every Jew worldwide the right to dwell in the state of Israel, however the Palestinians even though they had lived there for 1300 years, were denied that right.

▶ 1951

On 1 April the Israeli Secret Intelligence Agency the Mossad, which will go on to terrorize the world, is formed.

The motto of the Mossad is probably the most disgusting secret service motto in the world, it is, "By Way Of Deception, Thou Shalt Do War."

▶ 1957

James de Rothschild dies and it is reported (by the Rothschild owned media) that he bequeaths a large sum of money to the state of Israel to pay for the construction of their parliament building, the Knesset.

On November 22nd , president Kennedy was assassinated by the Rothschilds for the same reason as President Abraham Lincoln in 1865.

He wanted to print American money for the American people, as oppose to for the benefit of a money grabbing war mongering foreign elite.

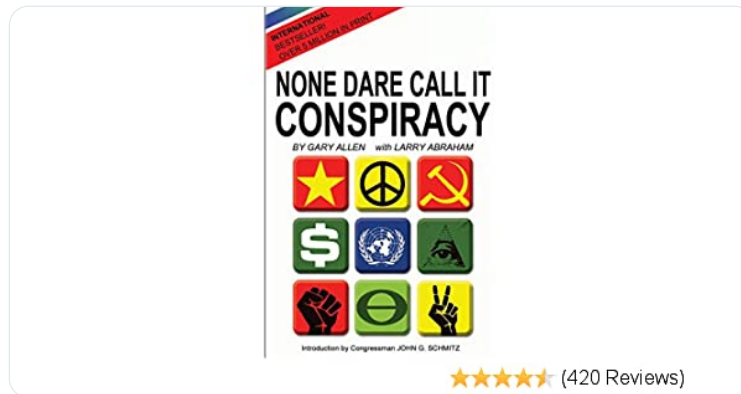

This Executive Order 11110, is rescinded by President Lyndon Baines Johnson (the 36th President of the United States 1963 to 1969) on Air Force One from Dallas to Washington, the same day as President Kennedy was assassinated.

▶ 1973

In his book, *None Dare Call It Conspiracy*, Gary Allen states, "One major reason for the historical blackout on the role of the international bankers in political history is the Rothschilds were Jewish..."

...The Jewish members of the conspiracy have used an organisation called The Anti-Defamation League (ADL) as an instrument to try and convince everyone that any mention of the Rothschilds and their allies is an attack on all Jews.

1991

President George Herbert Walker Bush ordered United States military aircraft and ground units to kill 150,000 Iraqi surrendering troops, they were then bulldozed into mass unmarked graves in the desert, some still alive.

What was the significance of President Bush declaring the war over on this day? Well it was the, "Day of Purim".

It's the day the Jews celebrate their victory over Ancient Babylon.

At the Bilderberg Conference on June 6 to 9 of this year, in Baden-Baden, Germany,

David Rockefeller (a Rothschild) made the following statement:

"We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries." – David Rockefeller

On September 16th Britain's pound collapses when currency speculators led by Rothschild agent, Ashkenazi, George Soros, borrow pounds and sell them for Deutsche Marks, in the expectation of being able to repay the loan in devalued currency and to pocket the difference.

The Israeli Foreign Minister, Aba Eban, stated of the United Nations, "If the General Assembly were to vote by 121 votes to 1 in favor of, "Israel," returning to the armistice lines (pre June 1967 borders), "Israel," would refuse to comply with the decision."

▶ 1995

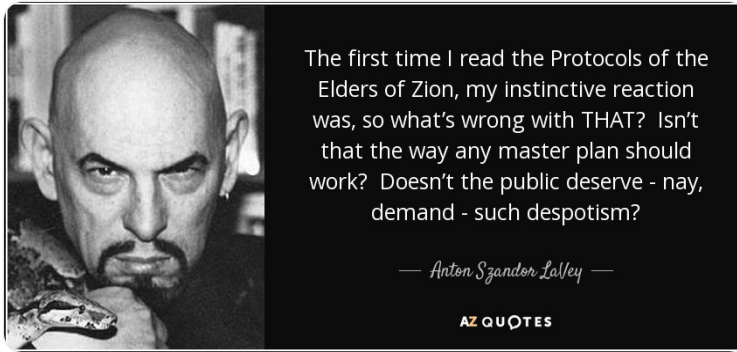

Amschel Rothschild, 41, is strangled with the heavy cord of his own towel robe in his hotel room in Paris.

French Prime Minister orders the French Police to close their investigation, and, Rupert Murdoch instructs his editors to report it as a heart attack.

On 29 October Edmond de Rothschild dies in Geneva.

Interestingly on the exact same day Anton Szandor LaVey, the founder of the Church of Satan also dies, who in his book, "Satan Speaks," he states in relation to The Protocols Of The Elders Of Zion:

▶ 1998

The European Central Bank is set up in Frankfurt, the city from which the Rothschilds originate.

On September 11th the attack on the World Trade Center is orchestrated by Israel

with the complicity of Britain and America, under the orders of the Rothschilds as a pretext for removing the liberty of people worldwide in exchange for security.

They also will use the attacks to gain control of the few nations in the world who don't allow Rothschild central banks and so less than one month after these attacks, US forces attack Afghanistan, one of only 7 nations in the world who don't have a central bank.

Before the September 11th attacks, there were seven central banks in the world NOT owned by the Rothschild family

9/11 gave reason to invade the middle east

By 2003, Iraq and Afghanistan had established Rothschild-owned central banks

By 2011, Sudan and Libya (Benghazi) were also marked off the bankers' list

The three countries left are North Korea, Cuba, and IRAN →

On January 20, President Bush makes the following statement as part of his second inaugural address:

"When our Founders declared a new order of the ages." This is not true. The founders did not declare a, "new order of the ages," President Roosevelt did when in 1933, he put it's latin translation, "Novus Ordo Seclorum," on the dollar bill.
